

Work Experience

Madonna University – Graphic Designer (September 2020–Present)

- Collaborates with Director of Marketing to create unique ideas and designs using the Adobe Creative Suite to promote the University, its programs, and events to targeted groups ranging from potential undergraduate students to donors and alumni
- Coordinates printing services and digital marketing with printers and agencies to create quality billboards, digital advertising, printed promotions and publications, and promotional products
- Protects the integrity of Madonna University's brand guidelines by solidifying brand expectations and communicating with internal departments along with external vendors

University of Michigan – Graphic Designer & Event Coordinator (October 2018-September 2020)

- Partnered with a variety of faculty and staff contacts across six educational units to design promotional materials for web and print, including logos, brochures, posters, and newsletters
- Coordinated printing and mailing of designed materials
- Organized event logistics from small lectures to large-scale outreach events

Schoolcraft College – Learning Support Services Program Assistant (Summer 2017-Spring 2019)

- Facilitated multiple workshops for students using Blackboard Collaborate Ultra and processed student survey data using the Microsoft Office Suite
- Assisted with the supervision of student employees in the tutoring program and completed organizational administrative tasks

Schoolcraft College – Writing Fellow/Student Athlete Support Assistant (2015-2017)

- Developed, designed, and presented educational PowerPoints focusing on writing and grammar.
- Worked closely with the Student Athlete Support System to track student athletes' academic progress and designed data reports, logos, forms, and infographics using Microsoft Excel and Adobe Illustrator

Freelance Photography (2014-2019)

- Took senior and family portraits, head shots, and event photos and edited with Photoshop and Lightroom
